Advice My Parents Gave Me

ABOUT THE BOOK

A collection of 409 thoughts, quotes, lessons, ideas, suggestions, reminders, words of advice and encouragement for a successful, rewarding, peaceful, happy, and fulfilling life.

Some people just need a little encouragement and motivation to allow themselves to see beyond what others think is possible, wise, or practical, while others just need a little inspiration to use their imagination wisely so they can become part of a solution not part of a problem. *Advice My Parents Gave Me, and Other Lessons I Learned From My Mistakes*—may just provide that encouragement, motivation, and inspiration to make dreams a reality—409 practical, thought-provoking, "bite-sized" ideas and suggestions to allow the reader to move forward to a successful and happy life, while becoming a better person in the process.
